by Staff

April 26, 2008 the Mississippi Gulf Coast BikeFest is sponsoring a GO BLUE POKER RUN. A charity event with proceeds going to benefit the Center for the prevention of Child Abuse. " This is a cause we are proud to support and everyone can have fun doing it." says Sam of MS Gulf Coast Bike Fest. He wants everyone to know motorcycles are NOT REQUIRED, and it's a great time for all. If your not sure what a poker run is click [here](#) for the official definition, but in general, think of it as a treasure hunt with vehicles, where you collect a playing card at each stop, in the end you want the best poker hand. It's only \$15 to sign up bike or car, and you can add riders and extra cards. Starting out at the Diberville Civic center at 9am and ending at Gulf Coast Harley on Cedar Lake with live entertainment and a Crawfish Boil. So challenge the office next door, or your neighbors and GO BLUE FOR THE POKER RUN !. Visit the website www.msbikefest.com to register online or for more details.
