Some Hurricane Katrina damage photos.

Taken in Biloxi and Gulfport after Jan 17, 2006.

Most of these are taken along Highway 90 except for the Keesler AFB housing damage.

Gorenflos store was located on the second floor...which you can see in the right picture is GONE.

This is another picture of the Grand Casino barge..which should be on the other side of the highway in the foreground.

Boat wash up on north side of Hwy 90.
